

Family-Style Orphan Care in Guatemala

Believing that a healthy family is the best place for a child to grow up, Safe Haven Village offers a family environment for orphans in the third world to be loved, nurtured, encouraged, and taught life's important lessons first-hand.

We believe family-style orphan care is part of God's solution in caring for orphans, for healing hearts, and for training up a child in the way he or she should go.

3 Ways You Can Help:
