

JOIN A 7-DAY MISSION TEAM TO GUATEMALA

A short-term mission trip is **an amazing experience** and opportunity to meet real needs in a place where you can **make a real difference**. Join an existing team or start your own with your friends, family, or church.

Be the hands and feet of Jesus as you and your team share the tangible love of God. You will **visit a native village for an outreach**, provide a meal at a landfill where people live and work, help at a hospital where malnourished children are nursed back to health. Spend time at a nursing home where abandoned elderly men and women live.

By joining a team, you will help **Safe Haven Village** provide housing, food, clothing, medical attention, education, and spiritual care for orphaned children in Guatemala.

Join an existing team **no matter which state you live in or start your own team**. Your mission trip fee includes transportation in Guatemala to and from the airport, and throughout the week, plus all your meals, purified water, and your lodging.

This priceless experience will **change your life, deepen your faith**, and ignite fresh vision in your heart. Please visit **www.SafeHavenVillage.org** to see how you can make a difference.
